1

CHEATER

When this model is targeted by an attack, before rolling, it may discard a Luck token to move **GREEN**. If this model is no longer a valid target, the action fails (an Action Token is still used).

CHEATER

When this model is targeted by an attack, before rolling, it may discard a Luck token to move ***GREEN***. If this model is no longer a valid target, the action fails (an Action Token is still used).

TOOL KIT

When this model discards a Loot card, it may roll a ***RED*** die. If it rolls a 5+ the Loot is not discarded.
